Please find below and/or attached an Office communication concerning this application or proceeding.

Art Unit: 3762

***Response to Amendment***

The reply filed on January 6, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant fails to particularly point out how the amendments to the claims overcome each reference. This particularly noted in the brief discussion of the Sjoquist reference where applicant appears to conclude that the disclosed defibrillator could be incorporated into a patient monitor. The examiner also requests applicant to point out support in the specification for the proposed amendments since the automatic defibrillator shown as reference numeral 32 is not shown as incorporated into a patient monitor or arranged to fit into a monitor housing. Instead it appears to be connectable by cables 38 and 40. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

**EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark W Bockelman whose telephone number is (703)-308-2112. The examiner can normally be reached on Monday - Friday 9:30-6:00.
